JULLEY - LADAKH

Hidden over high passes in an arid, largely treeless rain shadow, **Ladakh** is classic Trans Himalayan scenery: huge khaki-colored valleys and harsh rock walls brought alive by the occasional splash of irrigated green. Traditional Tibetan Buddhist culture remains intact here, with spectacularly located monasteries that burst into life during medieval masked dance festivals that have changed little in 500 years. For travelers there's a bit of everything - epic treks, sparkling high-altitude mountain lakes and a well-developed backpacker infrastructure based around the capital, Leh.

Let's explore together NOW!!!

Day 01: LEH ARRIVAL

- Arrival Leh and transfer you to Hotel in Leh. It is a free day to acclimatize at high altitude of Ladakh.
- In the evening take a walk to the local bazaar in Leh. Overnight at Hotel in Leh.

Day 02: LEH - LOCAL

- Morning after breakfast visit the Hall of Fame, Spituk Monastery, Magnetic Hill, Gurudwara Patthar Sahib and the Confluence of Zanskar - Indus rivers.
- Return to Leh for lunch (on my own).
- In the evening visit Leh Palace, and Shanti Stupa for a beautiful sunset view (if time permits) Dinner and overnight stay at the hotel in Leh.

Day 03: LEH TO NUBRA VALLEY

- Today, we will take the road to the highest motor able pass in the world - Khardung-La - at 18,380 feet.
- In spite of the altitude, today we will ride on some of the smoothest roads so far and the landscape becomes grand.
- After celebrating at Khardung-La pass, you descend into the dramatically different landscape of the Nubra valley.

Day 04: NUBRA VALLEY - PANGONG TSO

- Wake up at the campsite to an enchanting Himalayan sunrise and a refreshing breakfast.
- Enjoy the views of Nubra Valley and its surroundings. After this, we start on the route to the Pangong Tso.
- Revel in the peace and serenity permeating the air around the lake and explore the areas around it! Pangong Tso lake is a 134 km long lake which has the extension from India to China.
- The specialty of this lake is it changes the color according to the level of daylight; however, this is not a miracle.
- It is just due to reflection, which will leave you in awe.
- Spending a night at the campground will be one of the lifetime memorable experiences. Stargazing at the campsite with child winds will be another kind of experience

Day 05: PANGONG LAKE - LEH

- The Pangong Lake: Pangong Lake, situated at 14,000 feet (4,267 M).
- A long narrow basin of inland drainage, hardly six to seven kilometers at its widest point to which foreigners are permitted, is only some seven km along the southern shore from the head of the lake, but it affords spectacular views of the mountains of the Changchenmo range to the north, their reflection shimmering in the ever-changing blues and greens of the lakes brackish water.
- Above Spangmik are the glacier and snow-capped peaks of the Pangong
- Enroute: Chang-la pass, Thiksay monastery, Rancho school, Shey palace, Sindhu ghat. Overnite in Leh hotel.
