# *ABOUT* **BHUTAN**

Bhutan, a Buddhist kingdom on the Himalayas' eastern edge, is known for its Monasteries, fortresses (or Dzongs) and dramatic landscapes that range from subtropical plains to steep mountains and valleys. It is a tiny Himalayan Kingdom situated in the eastern Himalayas and landlocked between the world's two most populous nations-with China to the North and India to the South. A Buddhist kingdom with a population of about 800,000 people, pristine environment, well preserved culture and a land of Gross National Happiness, is one of the most sought-after travel destinations in the world today having ranked the second top travel destinations in the world.
